This document has been digitally signed and
will therefore not have handwritten signatures

Lekakis, Heracles

Station Manager Survey Activity Piraeus

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV GL AS, its parent companies and subsidiaries as well as their officers, directors and employees ("DNV GL") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Application:

Compliance to requirements stated in DNV GL Class Programm CP-0484 Edition February 2020 for approval of service suppliers scheme A13.

The service supplier is approved for maintenance, thorough examination, operational testing, overhaul and repair in accordance with the requirements of IMO Res MSC.402(96) as amended & IACS UR z17 Rev.14, 2019, of the following equipment as per individual service personnel certificates:
