To whom it may concern

This letter is intended as a general statement confirming that the Faroese Maritime Authority approves: MARINSPECT Safety & Rigging AB to perform Life Saving Equipment Service, as long as the company has valid certificate approval from Flag Stat. However if a Flag Stat does not issue such approval, an approval from Classification Company which is approved by FMA will be accepted.

List of approved Classification companies

- Det Norske Veritas, Germanischer Lloyd
- Lloyd's Register of Shipping
- Bureau Veritas
- American Bureau of Shipping (ABS)
- Nippon Kaiji Kyokai
- Rina

Vinarliga / Best regards
