Ian McCurdie approved as NMA competent person cat. B-1

Reference is made to previous communications and certification witnessed by the Norwegian Maritime Authority (NMA), January 18th 2012.

In accordance with “*Regulation 4. July 2007 No. 854 concerning deck cranes, etc. on mobile offshore units*” § 8, the Norwegian Maritime Authority has approved Ian McCurdie as competent person category B-1, person authorized to carry out periodical crane certifications of deck cranes.

Competent person category B-1 is also approved as NMA competent person category B, for periodical crane certifications on board Norwegian flagged ships.

NMA should be notified regarding safety critical findings on Norwegian flagged vessels. Also if the owner does not follow up the findings given by the competent person, the NMA should be notified. Exemption requests shall be handled by NMA.

Please note that individual decisions made by the Norwegian Maritime Directorate may be appealed to the Ministry of Trade and Industry. Appeals must be lodged within three weeks with the Norwegian Maritime Directorate.

Yours faithfully,

Åse Waage by authority
