

## **Certificate of Authorisation for Service Provider Issued under the provisions of IMO Resolution MSC.402(96)**

Issued on behalf of The Government of The Commonwealth of The Bahamas  
by The Bahamas Maritime Authority

This is to certify that  
**ENG SAFETY LTDA**

### **FOR LOCATION(s):**

- 1. Rua Alberto Siqueira 1065, Vila Sao Sebastiao, Duque De Caxias, 25065-225, Rio De Janeiro, Brazil**

has been assessed and authorised to provide servicing and maintenance of lifeboats, rescue boats launching appliances, release gear and davit-launched life raft automatic release hooks on board ships registered in The Bahamas, under the provisions of IMO Resolution MSC.402(96).

This Company is authorised to perform activities onboard Bahamas Flagged vessel for specific Make & Type listed in ANNEX at [www.bahamasmaritime.com/providers](http://www.bahamasmaritime.com/providers)

The company is responsible for keeping and maintaining the list of qualified personnel conducting services for the Make & Type of the ANNEX.

In cases where an equipment manufacturer is no longer in business or no longer provides technical support, the company may be authorised based on prior authorisation.

This Certificate may be withdrawn if:

1. The service has been improperly carried out or the results improperly reported.
2. The Recognised Organisation has found any deficiencies in the accepted operating systems of the company has failed to inform of any major changes influencing the quality of the service rendered.
3. The company has failed to inform of any major changes, having a direct impact on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

**Certificate Limitation, if any:** N/A  
**Anniversary Date:** 07 Nov 2025  
**Issue date:** 07 Nov 2025  
**Expiry date:** 07 Nov 2028

Survival Crafts	HDL, HLB, HDR, HDFN	HYUNDAI
Release Gear	TALON	
Release Gear	HMK, HCH	HENRIKSEN
Survival Crafts	HS	HOEI SENPAKU

- The equipment listed above should be understood as:  
Survival craft: any lifeboat type including but not limited to freefall lifeboat, totally or partially enclosed LB, fitted with or without sprinkler/deluge system, fitted with or without an air cylinder, tender boat, rescue boat, inboard or outboard engines, propeller, or jet drives.  
Launching appliances: any davit type system including but not limited to davit launched life-raft, secondary means of deployment and rescue boat davit.  
Release gear: any hook release gear such as but not limited to onload/offload, freefall hydraulic, rescue and fast rescue boat release gear.  
Winch: any which types including but not limited to single/twin drum, hydraulic and electric.
- Some equipment might be not clearly identified as unique equipment type/range and might be part of the same skid unit assembly or rebranded under a new parent company name. In such cases when evidence is provided to the attending RO's surveyor, this can be automatically be accepted by the attending surveyor without consulting the BMA.
- When a sub-contractor is acting as an independent company on behalf of a BASP, the attending sub-contractor is to be listed and included in the original BASP certificate of Authorisation.
