

APPROVAL OF SERVICE SUPPLIERS

Certificate no.:
AOSS0000JKZ
Revision no.:
2

This is to certify that

ANTIPIROS d.o.o.

Split, Croatia

is granted acceptance for

Maintenance, thorough examination, operational testing, overhaul and repair of lifeboats and rescue boats, launching appliances and release gear , in accordance with Class Programme DNV-CP-0484 and IACS UR Z17 Annex 1 [13].

This service supplier certificate will be accepted for use with all rule sets published by DNV.
See the following page(s) for details regarding application.

This Certificate is valid from **2025-03-21** to (inclusive) **2028-03-20**.

This Certificate is issued on **2025-07-16**.

for **DNV**

This document has been digitally signed and will
therefore not have handwritten signatures

Draganja, Davor

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Application:

Approved according to MSC.402(96)/Corr.1 and IACS UR Z17, rev.14., for following equipment, based on personnel training certificates:	
Lifeboats (incl. freefall lifeboats), Rescue boats (incl. fast rescue boats)	
Make	Model / Series
Acebi	TELB, PELB series
Avon	RB, SR series
Balden	BDFF-T, BDFF-C, BD-R BD-LB series

Remarks:

Notes:

1. Sufficient tools, and in particular any specialized tools specified in the manufacturer's instructions, including portable tools as needed for work to be carried on board ship;
2. Sufficient materials, spare parts and accessories as specified by the equipment manufacturer for repairing Lifeboats, Launching Appliances and On-Load Release Gear, as applicable to be ensured for each work.
3. For Servicing and Repair Work involving disassembly or adjustment of On-Load Release Mechanisms, the equipment manufacturer's specifications, and genuine replacement parts as specified or supplied by the Equipment Manufacturer to be ensured.
4. Maintenance manuals and associated documentation issued by the manufacturer to be used in all operations involving inspection, maintenance, adjustment and re-setting of the survival craft and associated equipment.
5. When thorough examination, operational testing, overhaul and repair are completed, a statement confirming that the lifeboat arrangements remain fit for purpose shall be promptly issued by the service provider Ref. MSC.402(96)/Annex 1 Parag. 5. A copy of valid documents of certification and authorization shall be included with the statement. All reports and checklists shall be completed and signed by the person who carries out the inspection and maintenance work and countersigned by the Company's representative or the ship's Master.
