

APPROVAL OF SERVICE SUPPLIERS

Certificate no.:
AOSS0000K43
Revision no.:
1

This is to certify that

Netaman Safety OÜ

Tallinn, Estonia

is granted acceptance for

Maintenance, thorough examination, operational testing, overhaul and repair of lifeboats and rescue boats, launching appliances and release gear , in accordance with Class Programme DNV-CP-0484 and IACS UR Z17 Annex 1 [13].

This service supplier certificate will be accepted for use with all rule sets published by DNV.
See the following page(s) for details regarding application.

This Certificate is valid from **2025-11-03** to (inclusive) **2028-11-02**.

This Certificate is issued on **2025-11-03**.

for **DNV**

This document has been digitally signed and will
therefore not have handwritten signatures

Voog, Valdo

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Application:

This Service Supplier is approved for maintenance, through examination, operational testing, overhaul and repair of the following equipment:

Lifeboats (incl. free-fall lifeboats)

Make	Model/series
ACEBI	PELB-, TELB-series
